

Dr. Josh Schimmer

Josh Schimmer is a Senior Managing Director on Evercore ISI's Biotech team, focusing on small, mid, and select large-cap biotechnology companies. Dr. Schimmer was ranked #1 in Institutional Investor's All America Research Team for SMID Biotech in 2018, 2019 and most recently 2020. He was runner up in 2015 and 2016.

Dr. Schimmer has over 16 years of biotechnology research experience, previously at Piper Jaffray, Lazard Capital Markets, Leerink Partners, and Cowen & Company. In addition, he spent two years on the buy side at Davidson Kempner.

Dr. Schimmer received his Medical Degree and subspecialty training in Internal Medicine and Rheumatology from the University of Toronto and a Master's of Business Administration from Harvard Business School.
